## ACKNOWLEDGMENT JESUS CHRIST

I am a Spiritual Christian, not a Corporate Bureaucratic Christian. I absolutely believe in the Resurrection. I absolutely believe in the following words of Jesus because I believe in Hebrews 8:10-11. *"Ask and it will be given you, seek and you will find, knock and it will be opened to you. For everyone who asks receives, he who seeks finds and to those who knock it will be opened."* Mt 7:7 *"If you have the faith the size of a mustard seed, you will say to the mountain move and it will move. Nothing will be impossible for you."* Mat 17:20. *"Truly, truly I say to you, if you believe in me you will do the works I do and greater works will you do because I go to the Father. Whatever you ask in my name I will do it for the greater glory of the Father through the son. Whatever you ask in my name I will do it"* Jn 14:12 | We write our individual and group script in life. The Book of Revelation is a false book of a doom and gloom future set in stone and I reject it because it is contrary to the teaching of Jesus above and because in my day to day life I am a witness to the truth of the above scripture. We are presently living the beliefs and actions of the world human society in the past. Dr Jwp JD 190829

## NOTES RE: POETRY: Dr. John WorldPeace JD

I was born in 1948, in Houston, Texas. I have lived in Albuquerque, New Mexico, since 2011.

In October 1970, I wrote my first poem. Over the last 50 years, I have written about 3500 poems in various poetic genres. Most of my poems could be looked at as a tiny biography of my life; one-page snap-shots of what I was thinking or experiencing at a particular moment in time.

In June 2018, I began to self-publish all the poems I have ever written to date in chronological order using Amazon's self-publishing software. There will be about 35 poem books in total. I did not try to publish the various books in chronological order.

Along with my free-verse poems, I have published one line (not one sentence) poems and Haiku which are 3 line poems with 5, 7, 5 syllables per line.

My genetics and my current state of health make me confident, barring some accident, that I will live more than a few years past 100. I will continue to write poems and in fact, will probably increase the volume of poems over the rest of my life.

I do not force my poems. I don't write unless I feel inspired. I have no desire to set a world record for a number of poems written in a lifetime.

The poems are written in a couple of minutes, 2-10, then put away in a binder in chronological order. I have lost less than a dozen poems over the years. Usually, within a very few minutes after writing the poem, I have no real memory of what I wrote. The edits I make after writing a poem are minimal. Images of some of the original cursive of many poems are online:

[DrJohnWorldPeaceJDPoetry.com](http://DrJohnWorldPeaceJDPoetry.com)

I do not write poems that rhyme except incidentally. To try to fit a poetic thought into a rhyming format, for me, breaks the flow of the poem.

Free verse poems 12 lines or less  
(spaces between lines not counted)

Dr John WorldPeace JD

I committed  
to celibacy  
maybe a matching companion will come

I have challenged fasting  
I will control

I walk a peaceful  
path

200102-1242

I have entered 2020  
ringing the shepherd's  
bell  
raising my staff  
to catch the sun  
reflect the light

heads up darkness  
light comes

200102-1244

I have allowed myself  
to drift too deep  
in my bliss

work calls  
I push back  
a bit longer

200103-0911

Dr John WorldPeace JD

My path  
    has been long  
        71 years  
            I have found  
                little encouragement  
                    along the way

200104-0611

When you learn  
    how to chop wood  
        you can do it quickly

200105-1935

This is the 6<sup>th</sup>  
    day of 2020  
        and every day  
            has begun  
                in peace  
                    and clarity

200106-0822

My first mother-in-law  
    died at 86 I think  
        she was the Snake's mother

    she was a country girl  
        with a college degree  
            in 1948

        gave it up to be a  
            housewife - crazy

            and that is my memory  
                of her – a housewife  
Hazel was her name

200106-0825

On grandpa's farm

I had a six-foot  
leather whip

I wove a popper  
out of bailing twine

I became quite  
accurate with it

I loved the pop  
and crack  
and my one  
armed dance  
with my  
popping – cracking – friend

200106-0846

My life

as a man of letters  
officially begins  
this year 2020

I have always  
been a man of letters  
now I will have  
the official title

In laymen's language  
the Fool on the Hill

200108-2038

Dr John WorldPeace JD

I am God's messenger  
to you  
I am God's prosecutor  
of you  
200109-0242

I am  
writing to those  
who are not  
listening  
200110-0641

You think  
you were born  
you were not  
you think you see  
you do not

200110-0642

I have been  
prepared -  
the real message  
now comes  
200110-0643

I came  
you were asleep  
so I left  
my gift of love  
in your  
sacred heart  
and faded  
away

I am mesmerized  
by the contents  
of an open

200117-0120

Bending over

Dr John WorldPeace JD

You try to discount me  
- WorldPeace –  
saying I am combative

I am astounded  
at your blindness  
ignorance  
but not  
kiss my ass and go away  
back to your  
corrupt preacher.priest

He has fresh feces  
for you to sniff  
and eat

Do you think  
I came to bring  
peace

I did not  
I came  
to throw fire.light  
upon the earth

200120-0055

Follow the light  
outside your heart  
and fall into  
infinite darkness  
for an offering

200120-0104

I asked your mother  
from where you came  
she said from  
the darkness  
between her  
legs  
and you screamed  
to return  
to its warmth

200120-0108

I slammed back  
a drink  
my hat fell  
off

200120-0111

And they were  
astonished at his teachings  
because he spoke  
with authority  
unlike the scribes

200120-0118

I love  
napkins  
and wash-rags  
They are so  
purposeful  
useful  
functional

200120-0115

I always  
find joy

When I discover  
one of my poems  
I did not  
know  
was lost

200121-2017

There is an energy  
pushing me to grow  
a beard

But it must be  
a false guide

Because I cannot  
handle the beard energy –  
5 days of growth  
my max

200123-0112

Those who  
think I use  
pot-drugs-alcohol  
  
to tap into  
my art  
and poetry  
  
are absolutely wrong

stimulates short circuit  
my spiritual connection  
by fogging my mind

I do not  
    understand  
        musicians  
  
but music seems  
    to require  
        a group effort  
  
and as an outsider  
    it seems  
        making music  
            has a stimulant  
                aspect

200123-0132

The heat is intense  
    snakes congregate  
        in a small pool  
            of water  
                under the  
                    bridge  
  
different species  
    share the pool  
        side by side  
  
curious

The New Year  
arrived yesterday

I began to watch  
“Blade Runner”  
a sci-fi movie  
New Years Eve  
and finished watching  
New Year’s Day

The movie portrays  
a dystopian future  
with perpetual darkness  
in-line with  
chemtrail spraying  
Solar Radiation Management  
of today’s reality

I woke feeling renewed  
I have disconnected  
from my children  
my ex-es  
holidays

I am a solitary man  
I am the Fool on the hill  
The WorldPeace Advocate  
The Advocate for Jesus Christ

Today was a blue sky day

I have worked the last  
week on finishing  
three poem books  
from 2019

Second day of 2020  
from weeks  
of basking  
creating poems.petals.Haiku

today back to work  
defective clients  
terminating  
2019 loose ends

Something has changed  
in a year of solitude  
my PTSD is gone  
negative emotions  
locked out

Finding peace  
in a chaotic dreamscape  
no easy task

but over the threshold  
of a New Year  
it seems  
baggage was left in  
the doorway out  
of 2019

Dr John WorldPeace JD

I will be 72  
this year

and there have  
been few years  
since I was 13  
that I have not  
driven myself  
to the max

I have dictated for myself  
big visions. huge goals  
which can only be  
accomplished  
with the help  
of discarnate entities  
with greater  
access to knowledge  
than a soul  
locked into a limited  
human vehicle

Yes, there is Jesus: but there are an  
infinite number of these lesser loving  
beings dedicated to helping  
you through your life  
your dreamscape

Grandfather's farm  
a sacred place  
old out buildings  
no longer inhabitable  
now storehouses  
and one for  
removing corn from  
the cob

An old cast iron devise  
attached to a  
2 x 4 foot bin  
to catch the corn

the crank turns  
the ear of corn spins  
the cob comes up  
the kernels  
rain down

They are great peace  
in this small shrine  
5 x 6 x 6

My two official wives  
for 19 years each  
were hard-pressed  
and not capable  
of understanding  
the solving  
of life's complexities

Each morning  
I would give them  
the daily plan

And far too often  
they would say

“But you said...”  
frustration to me

in a complex intense life  
with multiple goals  
you have to daily  
tweak your path

nothing can be set  
in stone  
because nothing  
is set in stone in this  
Earth Dreamscape

200103-0845

Dr John WorldPeace JD

I used to feel sad  
for couples in true love  
from teenage years

who were left alone  
late in life  
by a passing spouse

Now I see  
that the surviving years  
are filled with  
incredible memories  
rich in love  
and lifetime  
challenges  
overcome

and maybe  
surviving  
loving children  
and grandchildren

200103-0850

Dr John WorldPeace JD

Many times

I could have  
abandoned my destiny

Lived small  
and a moronic job  
I did not  
could not

Too late now  
quitting now  
means a wasted life

I am amazed  
at how many times  
I had a chance  
to leave  
and did not

200104-1800

Dr John WorldPeace JD

I wrote a petal  
yesterday about  
the below  
but I did not  
reveal it completely

Before my birth  
I became aware  
of standing at the  
the opening of a wormhole

Guarded by two Angels  
dressed as Roman soldiers  
guarding the entrance

I heard voices  
telling me that  
what I had accomplished  
in my prior lives  
was because I  
was born into a  
family of money and connections  
and guaranteed education

Later in this life, I realized  
these dark souls had  
thwarted me  
in many lives  
and I always  
beat them  
and it became public  
knowledge  
each and all were my  
nemesis

Dr John WorldPeace JD

I stupidly  
    changed my birth parents  
        due to my arrogance  
            and more so my faith  
  
    they left

I then saw God  
    my personal God  
        as an old man  
            white beard  
            heavy white robe  
walking surrounded by  
    light surrounded  
        by darkness

I looked at Him  
    ashamed of what I  
        had done  
because this life  
    was set at a very  
        critical time  
            in the history  
        of man on earth

I asked if I was going  
    to make it or had I  
        screwed everything up

Before I received  
    an answer  
        I was pulled  
            into the wormhole  
        to conception

Dr John WorldPeace JD

I believe this  
    was a memory  
        that came to me  
            by way of a dream  
        when I was 8

I did not fully understand  
    this until I met a psychic  
        in 1985 named Penny  
            10 years my senior  
        who put the pieces of my life  
            together with me

What she told me  
    I intuitively knew  
        it was not her  
            manipulation  
                of my mind

It made her mad  
    that I was stronger  
        than she  
            so even as  
        we had been bound  
tightly in prior lives  
    we were both  
very independent in this one

One thing more  
    those dark souls  
        incarnated in this life  
            and in a sense put  
                their thumbs  
            on the scale  
        of my success  
by actively thwarting  
    me in this life

Dr John WorldPeace JD

I know all  
their names  
I was amazed  
at their interference

There are two maybe  
3 groups and they are  
all dark souls  
A metaphor  
would be Satan's  
closest imps  
the darkest in my life

Since yesterday  
I have come to see  
that all my life  
at many significant  
crossroads  
I have made choices  
that required a lot of work  
or what some would  
call suffering  
at the least a  
harder path

Everytime I took  
the road less traveled  
I always subordinated  
everything and everyone  
to my agreed destiny

Now I am 71  
and 2020 is the critical  
year for the  
world human society

Dr John WorldPeace JD

I have been in training  
for this year all my life

I am alone now  
all the past  
ties with humans  
have been cut

I only speak to my  
landlord who is one  
of those many  
significant helpers in  
my life but  
not a significant  
friend  
but a significant  
acquaintance

I would say  
Jesus had no one but  
Mary Magdelene  
who was not  
a lover or wife  
but a light  
in his life

I have had a long life  
on my path  
I have absolute  
faith in what  
I am doing  
I will die  
on this path  
so very far  
from here

JOHN M

My son John,  
was it seemed,  
the child who  
would come  
to work with  
me

The Snake told me  
in 1985-6  
that she hated  
him because  
he was too  
much like me

He became a cop  
which always seemed  
his destiny  
  
and I waited  
for over 15 years  
for him to  
come on board

He never did

In July 2018,  
he finally opened  
up in some emails  
that he was not  
with me but one of my  
most significant nemesis

Dr John WorldPeace JD

There was no doubt  
in my mind  
that his wife M  
turned him against me

I told John  
10 years ago  
that if he surrounded himself  
with the Snake  
his wife and  
my father's companion  
my sister, my daughter  
they would twist  
his mind and  
I was right

In the Marines  
in the training phase  
and years after  
he was known  
as the Pope

Funny it was  
admitted by the Snake  
in 1986 in counseling  
to save our marriage

that she was intimidated  
by my faith  
and my focus  
and control  
and constant  
reading of the Bible

She never touched  
a Bible while  
we were together  
only after we  
split did she become  
a Holy Roller

It did not last  
in part, her faith was to  
manipulate my  
twisted sister  
also a blind Christian

I have disconnected  
from my son  
and through 18 months  
of significant meditation  
and review  
saw his darkness

His wife is dark

Sadly I will never  
know his children

I have to assume  
they will grow up  
like their parents

but who knows  
I do not expect  
any interaction  
with them  
until they are adults  
and maybe seek  
me out

Dr John WorldPeace JD

My position in life  
is well recorded  
and documented  
for anyone interested

1903-200105-0144

Dr John WorldPeace JD

Beginning in June 2018

I began to organize  
my poems  
(which are more  
dynamic than just  
poems)

processing  
of 50 years  
of poetic notes

in October 2019  
I finished

But between October 1, 2019  
and the end of 2019

I wrote  
77 free verse  
1000 petals  
250 Haiku

A huge body of  
work for 3 months time  
more or less

I understand  
what I am doing now  
and have already  
written 12 poems  
in 2020

200105-0152

Dr John WorldPeace JD

Today  
the final supplement  
to my Compete Poems 1970-2019  
was published

It has the effect  
of a bookend  
of all the poems  
I have written  
to the end of 2019

2020 begins a new year  
and I will publish  
year to year  
a book of complete poems  
and books for each genre  
of poems individually

The affect  
was that  
I experienced  
a tiredness that  
was physical  
but also on  
the soul level

I went to the eye doctor  
and fell asleep for  
seconds during  
some of the tests

I returned home  
after a quick grocery run

Dr John WorldPeace JD

Had my dinner  
about 1500  
I could not finish  
went to bed  
and slept deep  
  
for 4 hours  
up at 1900

I live in a psychic  
world dedicated  
to increasing the peace  
in the world human society  
  
refusing to give  
individual readings  
I turned my  
life over to that  
energy in 1988  
when I changed  
my name

I seek knowledge for the benefit and uplifting  
of the world human society

1904-200108-2026

Dr John WorldPeace JD

I am coming  
to understand  
how asleep  
humans are

They dedicate  
so much energy  
to just surviving  
in this earth dreamscape  
taking care of family

They have no time to  
meditate and pray

So things that  
are obvious to me  
because of my priority  
in life has been  
to understand life -  
are not something  
the average person  
considers

This is the year of ascension  
in which humans will  
awake into a higher  
level of understanding

with more spiritual channels open

1905-200108-2031

I logged

another day  
of inner peace

8 days  
this year

I am living  
a new reality

I needed  
the experience  
of family

but the  
micro reality  
of that  
experience

was a  
total write-off  
of energy

The global reality  
connects me with  
all fathers and mothers  
sisters and brothers

200108-2047

The visual aspect  
of the poisonous  
chemtrails  
is once a week  
I see huge  
crosses  
in the sky  
  
white crosses  
on blue sky

This maybe the  
metaphor for  
the projected  
Second Coming  
of the false  
Book of Revelation  
  
or maybe I should  
say the misinterpretation

For sure the crosses  
are surreal  
high in the sky  
  
and poisonous

200108-2055

Dr John WorldPeace JD

Were you there  
when the Silent Spring  
came

Not the one  
that comes each year  
in Spring  
with rain and  
infinite green

No, not that one

I am talking about  
the warning  
that came in fire  
in yellow blue  
red and orange

The one that  
came in charcoal grays  
that came in ashes

The one that came  
in silence with  
everything terminated  
and cremated

I ask those  
who live on that  
purged ground

Do you feel  
better that  
the elected king

But not in your  
lifetime

I am not sure -  
did he say  
that the  
ongoing  
climate change  
the global warming  
and the Solar Radiation Management  
was just  
a passing dream?

Did he say return to  
business as usual -  
just a passing dream?

I am the messenger  
and the message  
is not good

nor one you will believe  
or take to heart

You are killing  
Mother Earth  
the Garden of Eden  
for money  
and greed  
and loving feel good  
apathy

Your democracy  
of the majority vote  
has overridden  
God

The majority  
can have anything  
it wants

Empty oceans  
chem sprayed skies  
poisoned crops  
and cancerous  
birds and deer and dogs

You can trade  
it all for a  
brand new car

No need for  
horses anymore

THE CLOWN AWAY

I saw the

bell bottomed clown  
jump into the cloudy  
blue sky

And fast float  
up up and away

He had the sacred  
documents in  
his hands

the world watched  
his going away  
saying he would  
come back  
someday

when the people  
had true love  
in their hearts

and clown happiness  
in their minds

He would come back  
on that day

ORIGAMI PEACE CRANES

The old man  
sits under the old  
oak tree

the heat of Summer  
the small breeze

the humidity  
of the Gulf Coast

A stack of  
cheap exquisite  
origami paper  
sits on the  
old oak  
saloon table

He writes his simple prayer  
on the blank side of the paper

**“Lord make me an instrument  
of your peace.”**

He bends and folds  
the thin paper  
then unfolds  
his paper crane

and stands it up  
wings spread  
as if ready  
to fly

                    just the same

    If some sweet  
        young children  
            come by

        he gives them  
            permission  
                to take  
                    a little loving crane

    and if not taken  
        when he is ready  
            to move along

    He takes his

            out of his

smokes  
to the other side  
Ashes to ashes

He packs  
up his things  
in his well worn

and walks away  
leaving a few  
cranes  
never looking back

## DAILY POETIC COMMENTARY: on politics, religion, the environment, WorldPeace

It is my opinion, based on feedback from thousands of my postings on social media (where I have been told that my thoughts are good but the length of my postings are just too much. 700-1500 words) that a poetic format for social commentary is more in sync with written communications on the internet. Especially on Twitter with a 140 character limitation.

On the internet, everything is condensed to short sound bytes as has been commercial advertising for almost a century.

Chopping up ideas within commentary, truncating sentences, removing weak adjectives and adverbs and articles and punctuation and spacing words on a page is a more effective way to communicate with people who are not inclined to read probably because they never really developed that skill.

The average American adult reading level is that of a 9th grader. But popular mass-market novels are written at a 7th grade level because studies show adults prefer reading two grades below their ability.  
– Google

Poetry is really a form of “Pidgin English” or “City Speak” or “Opera Talk”. Most people ignore words they do not know in a sentence. Poetry falls apart if it loses the reader.

So I have created a Cryptic Speak Poetry and applied it to summarizing news articles while inserting when possible a metaphysical dynamic.

*Note: I write all my poems with an old school fountain pen in cursive or I print them. But I type political poems. When I fully understand why, I will relate it here. DrJnpJD 200129*

## WHO IS DR JOHNWORLDPEACE JD?

### 1) The Advocate for Jesus Christ

I am a believer in Jesus and his message  
I am not a member of any Christian church and so  
I am not a Christian  
I believe Christians are Jews  
and the main branch of Judaism  
who follow Jesus the Messiah who was born a Jew,  
raised a Jew, taught as a Jew  
was crucified the King of the Jews

God's angel promised Abraham that the progeny of Isaac would be  
"as the stars of the heavens" Genesis 22: 17-18. The Christian Jews,  
the main branch of Judaism, are 2 billion in the world.

The archaic branch of Judaism numbers 15 million in the world

God's angel promised Hagar her son, the firstborn of Abraham,  
Ishmael's progeny "will be too many to count... His hand will be  
against everyone and everyone's hand against him." Genesis 16: 10 &  
12. The Muslims, the progeny of Ishmael through Mohammed, are 2  
billion in the world.

### 2) The one and only Global Advocate for Peace and WorldPeace

### 3) An advocate for Peace but not a Pacifist

***All religions are corporate entities***

***When the message of a religious founder  
is in conflict with the perceived preservation  
of the corporate religious body,  
the message of the founder is skewed.***

I believe in:

***One Humanity***

***One Global Nation***

***One Global Democracy***

~ I am White and male due to genetics

~ I am an American because I was born in America

~ My parents chose to raise me as a Christian, I have chosen to have no corporate religious affiliation. I am not a religionist of any stripe but a spiritualist.

**My signature statement is:**

***How can we increase the level of peace in the world human society if we do not include everyone (all races, all religions, all nations, all genders) in our vision of peace? The answer is we cannot !***

***A White peace will never increase the level of Peace in the world human society***

***A Male peace will never increase the level of Peace in the world human society.***

***An American peace will never increase the level of Peace in the world human society***

***A Christian peace will never increase the level of Peace in the world human society***

Who is Dr. John WorldPeace JD ?

When I was 8 years old, I became aware that all human beings die. I became aware that these fragile human bodies are not immortal and eternal but are mortal and finite. I also became aware that at the end of each life, one's consciousness exits this earth dreamscape with nothing but one's experiences. Into this reality, we all come without material possessions, other than our human bodies, and from this reality, we all leave with only the script of our lives which we wrote. That is our testament and upon that testament, we should contemplate; not just when we die but often as we experience this life.

My primary purpose in this life is to challenge the predatory nature of homo sapiens globally. My focus is on bringing forward a more sane and just world human society and thereby increase the level of peace in the world human society.

It is my intention to live a minimalist life to prove that the accumulation of wealth is not necessary for a happy and successful life. In fact, a life of accumulation and attachment to things creates confusion and chaos in one's life as well as the world human society. The only power I will have in this life is the power of the truth of the various aspects of my Advocacy for peace and WorldPeace.

My concept of family discounts biology. All men are my father, brother, son. All women are my mother, sister, daughter. Children are of my body, not my soul.

I do not belong to any organization. I am not a religionist but a spiritualist. The difference is that religion is a licensed corporation. Spirituality is a direct relationship with God. It greatly irritates me for preachers to speak to the congregation as "church". I am not a church. I am a human being.

I changed my name to John WorldPeace (one word) on April 1, 1988, Good Friday and April Fool's day. I changed my name to WorldPeace as evidence of my commitment to increasing the level of peace in the world human society.

I have been self-employed 95% of my working career in insurance, accounting, tax, law, and web design. I will never retire. I am also an artist and writer and poet.

My funds come from my web design business, art, and books. All incoming monies go to promoting my businesses which collaterally promotes WorldPeace in one way or another. My ego is firmly anchored in my WorldPeace Advocacy and not in anyway with the egotistic accumulation and management of physical assets or money in the bank as an objective in my life or measure of my success. I am 100% committed to increasing the peace in the world human society and not committed to the accumulation of assets except incidentally, as above, to promote WorldPeace.

I am primarily an Advocate for Peace and WorldPeace, but I am not a pacifist. For the most part, everything I have done in this life has been focused on increasing the level of peace in the world human society. My art, business, writings, education, if you take the time to engage with what I have communicated in words on my flagship website ([johnworldpeace.com](http://johnworldpeace.com)) and deeds, will show a focus on constantly increasing the level of peace in the world human society. For me, it is absolutely critical that my life reflects my philosophy and my cosmology.

How can we increase the level of peace in the world human society if we do not include everyone (all races, all nationalities, all religions, all genders) in our vision of peace? This is the only question that matters to me.
