Peace in the World

ACKNOWLEDGMENT JESUS CHRIST

I am a Spiritual Christian, not a Corporate Bureaucratic Christian. I absolutely believe in the Resurrection. I absolutely believe in the following words of Jesus because I believe in Hebrews 8:10-11. *“Ask and it will be given you, seek and you will find, knock and it will be opened to you. For everyone who asks receives, he who seeks finds and to those who knock it will be opened.”* Mt 7:7 *“If you have the faith the size of a mustard seed, you will say to the mountain move and it will move. Nothing will be impossible for you.”* Mat 17:20. *“Truly, truly I say to you, if you believe in me you will do the works I do and greater works will you do because I go to the Father. Whatever you ask in my name I will do it for the greater glory of the Father through the son. Whatever you ask in my name I will do it”* Jn 14:12 | We write our individual and group script in life. The Book of Revelation is a false book of a doom and gloom future set in stone and I reject it because it is contrary to the teaching of Jesus above and because in my day to day life I am a witness to the truth of the above scripture. We are presently living the beliefs and actions of the world human society in the past. Dr Jwp JD 190829

NOTES: Dr. John WorldPeace JD

I was born in 1948, in Houston, Texas. I presently live in Albuquerque, New Mexico

In October 1970, I wrote my first poem. Over the last 50, I have written about 3500 poems in various poetic genres. Most of my poems could be looked at as a tiny biography of my life; one-page snap-shots of what I was thinking or experiencing at a particular moment in time.

I have also published selections of the poems. In June 2018, I began to self-publish the selections of poems and all the poems I have ever written to date in chronological order using Amazon's self-publishing software. There will be about 30 poem books in total. I did not try to publish the various books in chronological order.

Along with my free-verse poems, I have published one line (not one sentence) poems and Haiku which are 3 line poems with 5, 7, 5 syllables per line.

My genetics and my current state of health make me confident, barring some accident, that I will live more than a few years past 100. I will continue to write poems and in fact, will probably increase the volume of poems over the rest of my life.

I do not force my poems. I don't write unless I feel inspired. I have no desire to set a world record for a number of poems written in a lifetime.

The poems are written in a couple of minutes, 2-10, then put away in a binder in chronological order. I have lost less than a dozen poems over the years. Usually within a very few minutes after writing the poem I have no real memory of what I wrote. The edits I make after writing a poem are minimal. Images of the original cursive of many poems are online:

DrJohnWorldPeaceJDPoetry.com

I do not write poems that rhyme except incidentally. To try to fit a poetic thought into a rhyming format, for me breaks the flow of the poem.

The New Year
arrived yesterday

I began to watch
“Blade Runner”
a sci-fi movie
New Years Eve
and finished watching
New Year’s Day

The movie portrays
a dystopian future
with perpetual darkness
in-line with
chemtrail spraying
Solar Radiation Management
of today’s reality

I woke feeling renewed
I have disconnected
from my children
my ex-es
holidays

I am a solitary man
I am the Fool on the hill
The WorldPeace Advocate
The Advocate for Jesus Christ

Today was a blue sky day

I have worked the last
week on finishing
three poem books
from 2019

Petals

Haiku

I project myself

as a master poet

and a master artist

This is the year of Ascension

or the Eve of Destruction

the end of the

Garden of Eden

This year will define

the rest of my life

which I expect

to last at least another

30 years away

when I will be 101

1899-200102-0316

Dr John WorldPeace JD

Second day of 2020
from weeks
of basking
creating poems.petals.Haiku

today back to work
defective clients
terminating
2019 loose ends

Something has changed
in a year of solitude
my PTSD is gone
negative emotions
locked out

Finding peace
in a chaotic dreamscape
no easy task

but over the threshold
of a new year
it seems
baggage was left in
the doorway out
of 2019

1900-200102-1217

Dr John WorldPeace JD

I will be 72
this year

and there have
been few years
since I was 13
that I have not
driven myself
to the max

I have dictated for myself
big visions. huge goals
which can only be
accomplished
with the help
of discarnate entities
with greater
access to knowledge
than a soul
locked into a limited
human vehicle

Yes, there is Jesus: but there are an
infinite number of these lesser loving
beings dedicated to helping
you through your life
your dreamscape

1901-200103-0718

Dr John WorldPeace JD

I wrote a petal
yesterday about
the below
but I did not
reveal it completely

Before my birth
I became aware
of standing at the
the entrance of a wormhole

Guarded by two Angels
dressed as Roman soldiers
guarding the entrance

I heard voices
telling me that
what I had accomplished
in my prior lives
was because I
was born into a
family of money and connections
and guaranteed education

Later in this life, I realized
these dark souls had
thwarted me
in many lives
and I always
beat them
and it became public
knowledge
each and all were my
nemesis

Dr John WorldPeace JD

I stupidly
changed my birth parents
due to my arrogance
and more so my faith

they left

I then saw God
my personal God
as an old man
white beard
heavy white robe
walking surrounded by
light surrounded
by darkness

I looked at Him
ashamed of what I
had done
because this life
was set at a very
critical time
in the history
of man on earth

I asked if I was going
to make it or had I
screwed everything up

Before I received
an answer
I was pulled
into the worm hole
to conception

Dr John WorldPeace JD

I believe this
was a memory
that came to me
by way of a dream
when I was 8

I did not fully understand
this until I met a psychic
in 1985 named Penny
10 years my senior
who put the pieces of my life
together with me

What she told me
I intuitively knew
it was not her
manipulation
of my mind

It made her mad
that I was stronger
than she
so even as
we had been bound
tightly in prior lives
we were both
very independent

One thing more
there dark souls
incarnated in this life
and in a sense put
their thumbs
on the scale
of my success
to actively thwart
me in this life

Dr John WorldPeace JD

I know all
their names
I was amazed
at their interference

There are two maybe
3 groups and they are
all dark souls
A metaphor
would be Satan's
closest imps
the darkest in my life

Since yesterday
I have come to see
that all my life
at many significant
crossroads
I have made choices
that required a lot of work
or what some would
call suffering
at the least a
harder path

Everytime I took
the road less traveled
I always subordinated
everything and everyone
to my agreed destiny

Now I am 71
and 2020 is the critical
year for the
world human society

Dr John WorldPeace JD

I have been in training
for this year all my life

I am alone now
all the past
ties with humans
have been cut

I only speak to my
landlord who is one
of those many
significant helpers in
my life but
not a significant
friend
but a significant
acquaintance

I would say
Jesus had no one but
Mary Magdelene
who was not
a lover or wife
but a light
in his life

I have had a long life
on my path
I have absolute
faith in what
I am doing
I will die
on this path
so very far
from here

JOHN M

My son John,
was it seemed,
the child who
would come
to work with
me

The Snake told me
in 1985-6
that she hated
him because
he was too
much like me

He became a cop
which always seemed
his destiny

and I waited
for over 15 years
for him to
come on board

He never did

In July 2018,
he finally opened
up in some emails
that he was not
with me but one of my
most significant nemesis

Dr John WorldPeace JD

There was no doubt
in my mind
that his wife M
turned him against me

I told John
10 years ago
that if he surrounded himself
by the Snake
his wife and
my father's companion
my sister, my daughter
they would twist
his mind and
I was right

In the Marines
in the training phase
and years after
he was known
as the Pope

Funny it was
admitted by the Snake
in 1986 in counseling
to save our marriage

that she was intimidated
by my faith
and my focus
and control
and constant
reading of the Bible

Dr John WorldPeace JD

She never touched
a Bible while
we were together
only after we
split did she become
a Holy Roller

It did not last
in part, her faith was to
manipulate my
twisted sister
also a blind Christian

I have disconnected
from my son
and through 18 months
of significant meditation
and review
seen his darkness

His wife is dark

Sadly I will never
know his children

I have to assume
they will grow up
like their parents

but who knows
I do not expect
any interaction
with them
until they are adults
and maybe seek
me out

Dr John WorldPeace JD

My position in life
is well recorded
and documented

Today

the final supplement
to my Compete Poems 1970-2019
was published

It has the effect
of a bookend
of all the poems
I have written
to the end of 2019

2020 begins a new year
and I will publish
year to year
a book of complete poems
and books for each genre
of poems individually

The affect
was that
I experienced
a tiredness that
was physical
but also on
the soul level

I went to the eye doctor
and fell asleep for
seconds during
some of the tests

I returned home
after a quick grocery run

Dr John WorldPeace JD

Had my dinner
about 1500
I could not finish
went to bed
and slept deep

for 4 hours
up at 1900

I live in a psychic
world dedicated
to increasing the peace
in the world human society

refusing to give
individual readings
I turned my
life over to that
energy in 1988
when I changed
my name

I seek knowledge for the benefit and uplifting
of the world human society

1904-200108-2026

Dr John WorldPeace JD

I am coming
to understand
how asleep
humans are

They dedicate
so much energy
to just surviving
in this earth dreamscape
taking care of family

They have no time to
meditate and pray

So things that
are obvious to me
because of my priority
in life has been
to understand life -
are not something
the average person
considers

This is the year of ascension
in which humans will
awake into a higher
level of understanding

with more spiritual channels open

1905-200108-2031

Dr John WorldPeace JD

Were you there
when the Silent Spring
came

Not the one
that comes each year
in Spring
with rain and
infinite green

No, not that one

I am talking about
the warning
that came in fire
in yellow blue
red and orange

The one that
came in charcoal grays
that came in ashes

The one that came
in silence with
everything terminated
and cremated

I ask those
who live on that
purged ground

Do you feel
better that
the elected king
said all would be
OK again

Dr John WorldPeace JD

But not in your
lifetime

I am not sure -
did he say
that the
ongoing
climate change
the global warming
and the Solar Radiation Management
was just
a passing dream?

Did he say return to
business as usual -
just a passing dream?

1906-200109-0206

Dr John WorldPeace JD

I am the messenger
and the message
is not good

nor one you will believe
or take to heart

You are killing
Mother Earth
the Garden of Eden
for money
and greed
and loving feel good
apathy

Your democracy
of the majority vote
has overridden
God

The majority
can have anything
it wants

Empty oceans
chem sprayed skies
poisoned crops
and cancerous
birds and deer and dogs

You can trade
it all for a
brand new car

No need for
horses anymore

1907-200109-0218

Dr John WorldPeace JD

God spoke
loud and clear
this morning

reincarnation is real

Your sins
of global warming
of fossil fuels
burning
your poisoning
of the good earth
into a sterile desert

Your return
after death
this planet
of desolation
is your welcoming heaven

You don't
want to think about
my Hell.

No, it is not Satan's
hell – it is where
he resides but
not his domain

There is nowhere
God is not
he the Creator owns it all

And His dark black
evil son is just
the caretaker
of his hell

Dr John WorldPeace JD

But there is his brother
Nothing

In his realm
the conscious soul
goes

nothing for the 5 senses
no other human being
to be found

Travel the void Hell
and you will have
no sense of going
anywhere

It is a black void
nothing there but
your conscious
soul

You thought
the burned-out desert hell
you voted against
your children's
inheritance

you were off to
the land of milk and honey
and heaven

Funny you are -
your creation
is right next
door to God's
son Satan.

1908-200109-0324

Dr John WorldPeace JD

Snow has fallen
during the night
cloudy to the mountain east
clearing to the
valley west

my soul is active
my brain filters
the incoming words
the muses speak
the teachers teach

I am the scribe
of things unseen

I have a special pass
to these infinite
records
now future past

No one cares here
so I write and publish
earth words
the dreamscape code

I ring the bell
not when classes
begin
there are no classes

I ring it when
the oracles speak

ORIGAMI PEACE CRANES

The old man
sits under the old
oak tree

the heat of Summer
the small breeze

the humidity
of the Gulf Coast

A stack of
cheap exquisite
origami paper
sits on the
old oak
card table

He writes his simple prayer
on the blank side of the paper

**“Lord make me an instrument
of your peace.”**

He bends and folds
the thin paper
then unfolds
his paper crane

and stands it up
wings spread
as if ready
to fly

Dr John WorldPeace JD

two heads

North and South

or

East and West

duality

just the same

If some sweet

young children

come by

he gives them

permission

to take

a little loving crane

and if not taken

when he is ready

to move along

He takes his

short wire stand

out of his

magic box

and mounts

a select crane on top

and stands

it in the antique

ashtray.

Dr John WorldPeace JD

He says a prayer
of peace
 he says a
 prayer of love
 and takes out a
 kitchen match
 and sets it on fire

a small sincere
 prayer to heaven
 smokes
 to the other side

Ashes to ashes
 dust to dust

He packs
 up his things
 in his well worn
 leather bag

and walks away
 leaving a few
 cranes

never looking back

Miles and miles
 to go before
 he sleeps

Thinking
 Johnny Appleseed
 as he makes his way

FREEDOM

Yesterday

I experienced

my 18th day

of no stress

no pain

no confusion

no PTSD

I took a long

ride on my motorcycle

“Freedom”

a 1986 Honda Shadow

1986, January 1

The day the Snake

announced her

demand for a divorce

Now I have

total Freedom

to treat the

whole world

as if it were

my grandfather’s farm

I rode to the

University of New Mexico

a super scattered

campus

that I had visited

only a few times

since I came to Albuquerque

8 years ago

Dr John WorldPeace JD

My web design business
gives me communication
but no face to face
interaction
by design

I have never had
a social life by choice
too much to do
a lot of family
events and gatherings

A university connection my goal
just substituting for now
when the professor is out

English, Poetry, Accounting, Tax, Law
Politics, Art, Web Design
Insurance, Small business
Religion,
Spirituality
WorldPeace

That will be my
social agenda
talking to students
and teachers

Regardless

I have no family now
by choice
I am just a
whipping boy
for all of them

Dr John WorldPeace JD

I took charge of
the chaos the Snake
created when she
walked away
from our marriage
and our children

I quit my businesses
and promised my
children I would
be home when they
went to school
and when they
returned

a promise kept
the three boys
then off to the Marines

only my daughter
a lazy welfare queen
encouraged by the Snake

then marrying a loving man
for his paycheck

and about whom she
never had a positive
word

I am free of
all of it and them now

It is strange
to be alone
and not lonely

Dr John WorldPeace JD

It is nice
not to have to
defend myself
to rabid dogs
without dreams
without visions
with dark souls

1911-200119-0622

Dr John WorldPeace JD

All my life

I have been surrounded
by others
who
consider life
a condemnation
a prison sentence

So very few
if any

view life as a great
great gift
a great adventure
in a paradise
on every level

where everyday
and every night
and every moment
of every day and night

is a gift from God
an awesome loving God

My greatest sadness

is that I never found
a female companion
to share my joy
and me to
share hers

To wake up

each morning
to loving eyes
eagerly waiting for
me to wake

Dr John WorldPeace JD

so we could
 continue our joyous
 conscious journey

side by side
 finding bliss
 in good times
 and hard times
 in such
 a blissful paradise

1912-200120-1443

Dr John WorldPeace JD

Who is Dr. John WorldPeace JD ?

When I was 8 years old, I became aware that all human beings die. I became aware that these fragile human bodies are not immortal and eternal but are mortal and finite. I also became aware that at the end of each life, one's consciousness exits this earth dreamscape with nothing but one's experiences. Into this reality, we all come without material possessions, other than our human bodies, and from this reality, we all leave with only the script of our lives which we wrote. That is our testament and upon that testament, we should contemplate; not just when we die but often as we experience this life.

My primary purpose in this life is to challenge the predatory nature of homo sapiens globally. My focus is on bringing forward a more sane and just world human society and thereby increase the level of peace in the world human society.

It is my intention to live a minimalist life to prove that the accumulation of wealth is not necessary for a happy and successful life. In fact, a life of accumulation and attachment to things creates confusion and chaos in one's life as well as the world human society. The only power I will have in this life is the power of the truth of the various aspects of my Advocacy for peace and WorldPeace.

My concept of family discounts biology. All men are my father, brother, son. All women are my mother, sister, daughter. Children are of my body, not my soul.

I do not belong to any organization. I am not a religionist but a spiritualist. The difference is that religion is a licensed corporation. Spirituality is a direct relationship with God. It greatly irritates me for preachers to speak to the congregation as a church. I am not a church. I am a human being.

I changed my name to John WorldPeace (one word) on April 1, 1988, Good Friday and April Fool's day. I changed my name to WorldPeace as evidence of my commitment to increasing the peace in the world human society.

I have been self-employed 95% of my working career in insurance, accounting, tax, law, and web design. I will never retire. I am also an artist and writer and poet.

My funds come from my web design business, art, and books. All incoming monies go to promoting my businesses which collaterally promotes WorldPeace in one way or another. My ego is firmly anchored in my WorldPeace Advocacy and not in any way with the egotistic accumulation and management of physical assets or money in the bank as an objective in my life or measure of success. I am 100% committed to increasing the peace in the world human society and not committed to the accumulation of assets except incidentally, as above, to promote WorldPeace.

I am primarily an Advocate for Peace and WorldPeace but I am not a pacifist. For the most part, everything I have done in this life has been focused on increasing the level of peace in the world human society. My art, business, writings, education, if you take the time to engage with what I have communicated in words on my flagship website (johnworldpeace.com) and deeds, will show a focus on constantly increasing the level of peace in the world human society. For me, it is absolutely critical that my life reflects my philosophy and my cosmology.

How can we increase the level of peace in the world human society if we do not include everyone (all races, all nationalities, all religions, all genders) in our vision of peace? This is the only question that matters to me.
