## WHAT IS THE PURPOSE OF THIS BOOK OF POEMS

I read a lot of poems and I thought it would be nice for me to collect these poems and make them available for others.

The process is simple. I see a poem I like and I copy it to this book with the authors name and source. I put the date it was collected in yr mo day format 200225 behind its number in this book.

001-200225. Is first poem in the book..

I will save the poems for the month as a pdf and link to them from my main website at <https://drjohnworldpeacejdpoetry.com/> Look for the brown graphic that says HARVEST POEMS and click it.

At the end of the month I will publish the poems for that month in paperback through KDP Amazon. The monthly editions will for sell for \$12 on Amazon.com under books and Dr John WorldPeace JD Harvest.

There is no compensation. The poet can put the fact that he or she was selected to be in my harvest on his resume. In time, soon, I hope my harvests will be considered in high regard.

If the poet does not want his or her poem in my harvest, he or she just sends me an email at [drjohnworldpeacejd@gmail.com](mailto:drjohnworldpeacejd@gmail.com) and I will remove it. I will need the poem's designated number.

I will publish the poem as I find it on the internet. In other words I will not edit except maybe a spelling erro.

I will eventually create index of all the authors and their poem numbers. I will use whatever name the poet prefers.

This is a new project and so I have some minor issues to work out.

**THE BRINEY DEEP**

Another stowaway thought has Shanghaied my captain  
A lingual Hijacking is now destined to happen

As heavy as a feather as they fly from my lips  
My words resemble cannon balls fired from battleships

Spewing tidal threats of idle waves lacking all merit  
Like a Skipper less ship nary a pirate nor parrot

**WITHIN THE GROWN DEPTHS OF A INNER, OUTSIDE**

On the inside of my outside, is where I like to hide. A hide without a  
seeker, lost forever

### **THREE POT PLANTS HELD AT DIFFERENT HEIGHTS**

The three pot plants are seen to be  
of different size, shape and heritage.

As they are witnessed to stay in  
place at the head of ceramic pots  
hued in grey and white.

While the central pot much gained  
in height is seen to provide abode  
body of the bush not so gained in  
height.

As pot on the left somewhat less  
in height is found to house the rubber  
tree determined to grow.

And pot the right lowest in height  
has the umbrella tree in place and  
ever in readiness to create the shade.

Who is Dr. John WorldPeace JD ?

When I was 8 years old, I became aware that all human beings die. I became aware that these fragile human bodies are not immortal and eternal but are mortal and finite. I also became aware that at the end of each life, one's consciousness exits this earth dreamscape with nothing but one's experiences. Into this reality, we all come without material possessions, other than our human bodies, and from this reality, we all leave with only the script of our lives which we wrote. That is our testament and upon that testament, we should contemplate; not just when we die but often as we experience this life.

My primary purpose in this life is to challenge the predatory nature of homo sapiens globally. My focus is on bringing forward a more sane and just world human society and thereby increase the level of peace in the world human society.

It is my intention to live a minimalist life to prove that the accumulation of wealth is not necessary for a happy and successful life. In fact, a life of accumulation and attachment to things creates confusion and chaos in one's life as well as the world human society. The only power I will have in this life is the power of the truth of the various aspects of my Advocacy for Peace and WorldPeace.

My concept of family discounts biology. All men are my father, brother, son. All women are my mother, sister, daughter. Children are of my body, not my soul.

I do not belong to any organization. I am not a religionist but a spiritualist. The difference is that religion is a licensed corporation. Spirituality is a direct relationship with God. It greatly irritates me for preachers to speak to the congregation as "church". I am not a church. I am a human being.

I changed my name to John WorldPeace (one word) on April 1, 1988, Good Friday and April Fool's day. I changed my name to WorldPeace as evidence of my commitment to increasing the level of peace in the world human society.

I have been self-employed 95% of my working career in insurance, accounting, tax, law, and web design. I will never retire. I am also an artist and writer and poet.

My funds come from my web design business, art, and books. All incoming monies go to promoting my businesses which collaterally promotes WorldPeace in one way or another. My ego is firmly anchored in my WorldPeace Advocacy and not in anyway with the egotistic accumulation and management of physical assets or money in the bank as an objective in my life or measure of my success or worth. I am 100% committed to increasing the peace in the world human society and not committed to the accumulation of assets except incidentally, as above, to promote WorldPeace.

I am primarily an Advocate for Peace and WorldPeace, but I am not a pacifist. For the most part, everything I have done in this life has been focused on increasing the level of peace in the world human society. My art, business, writings, education, if you take the time to engage with what I have communicated in words on my flagship website ([johnworldpeace.com](http://johnworldpeace.com)) and deeds, will show a focus on constantly increasing the level of peace in the world human society. For me, it is absolutely critical that my life reflects my philosophy and my cosmology.

How can we increase the level of peace in the world human society if we do not include everyone (all races, all nationalities, all religions, all genders) in our vision of peace? This is the only question that matters to me.
